

TECHNICAL DOCUMENT

1. Introduction

This document explains how to set up, run, and test the system.

2. System Requirements

Hardware:

Minimum 4GB RAM

Basic CPU system

Software:

Python 3.10+

VS Code

Required libraries

3. Installation Steps

pip install langchain

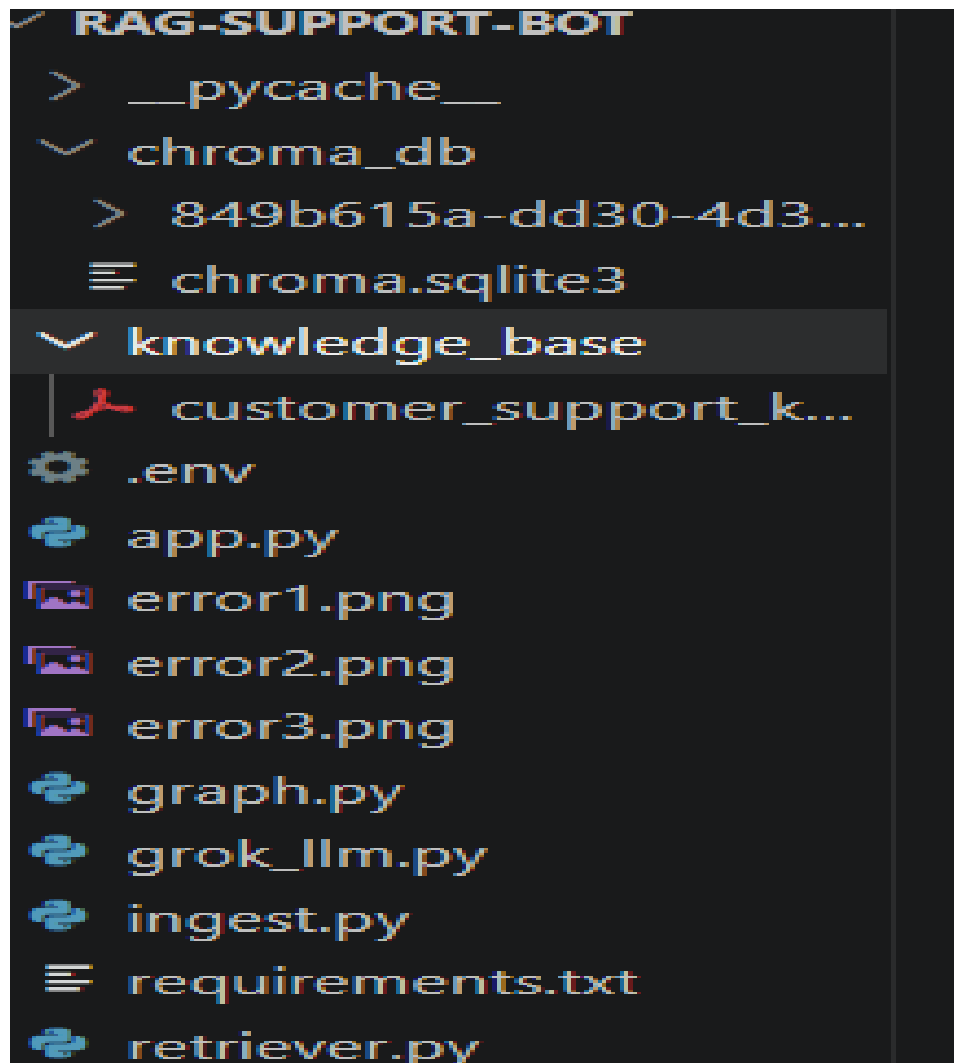

pip install chromadb

pip install sentence-transformers

pip install groq

4. Project Structure

The project consists of:

5. Execution

python ingest.py

python app.py

6. Screenshots

```
Ask Your Question: What are refund policy?

BOT RESPONSE:

**Refund Policy**

At ABC Online Store, we strive to provide a seamless shopping experience for our customers. Our refund policy is designed to ensure that you receive a fair and timely refund in case of any issues with your order.

**Refund Eligibility**

Refunds are eligible for prepaid orders that have been cancelled before dispatch. In case of a prepaid order cancellation, the refund will be processed within 5 business days.

**Refund Process**

To initiate a refund, please contact our customer support team through email, phone, or live chat. We will review your request and process the refund as soon as possible.

**Refund Timeline**

Refunds for prepaid cancelled orders are typically processed within 5 business days. However, please note that refunds may take longer to process in case of any additional verification or documentation required.

**Refund Amount**

The refund amount will be credited back to the original payment method used for the order. Please note that the refund amount may be subject to any applicable bank or payment processing fees.

**Refund Status**

You can track the status of your refund by contacting our customer support team or by checking your order status in the My Orders section of our web site.

If you have any questions or concerns about our refund policy, please don't hesitate to reach out to us. We're here to help.
Ask Your Question: fraud complaint
